

# Instructions for Connecting to Life Church ChurchBot

#### Introduction

ChurchBot provides a way to find out about what's happening at Life Church using Facebook Messenger. You will be able to "chat" to ChurchBot to access Life Church's Elvanto system.

You will RECEIVE reminders of volunteering, TAP to easily find out about your upcoming rosters, and ASK questions like "When am I on roster next month".

The Quick Steps for connecting to ChurchBot are below, the more detailed instructions follow.

#### Requirements

To use ChurchBot you'll need a Facebook account (but not necessarily any friends or likes) and have the Messenger App installed on your phone. Click <u>here</u> to get an account, and <u>here</u> to install the App.
